Mr. Marshall Kaufman  
113 West 56th Street  
New York, New York 10019

Dear Mr. Kaufman:

The reference to President Kennedy's wounds by Mrs. Kennedy was a very brief statement that merely described how bad they looked to her at the moment of impact.

There is ample evidence in the medical testimony, autopsy and testimony of witnesses at the time of the assassination so that this particular statement contributed nothing additional. It was allowed to be removed as a matter of good taste and because it could contribute nothing to the inquiry.

Sincerely yours,

J. Lee Rankin  
General Counsel
